Circular route: Crickhowell to Glanusk to Crickhowell Loop

Starting at MAISON50 in Crickhowell's High Street, turn left down the High Street then turn right after 100 metres or so where it forks at Bridge Street – go past the Bridge Pub to the T junction.

Cross over the road here, turn right for a few yards and head down to the river, do not go over the bridge.

Turn right along the beautiful River Usk, and go through the lovely riverside Bullpit Meadows along the river towards the stunning Glanusk Estate, enjoying the dramatic views all around.

Go through the permitted path in the Glanusk Estate and up onto the pretty bucolic Mon and Brecon Canal. Observe the wild life all around on the canal – perhaps you will spot the herons and ducks and the gorgeous plants and historic trees.

Once on the Canal head left towards Llangattock then head back to Crickhowell; take the Crickhowell Bridge over the River Usk and head back to MAISON50 via Bridge Street, perhaps stopping for a well deserved snifter in the Bridge Inn's pretty riverside garden!
